About the C-BICS 2026

The Department of Bioinformatics & Biosciences (BI&BS) at Capital University of Science & Technology (CUST), Islamabad, is hosting the 14th edition of the International Conference on Biological and Computational Sciences (C-BICS) in 2026. Established in 2013, the BI&BS has consistently organized this event to bring together leading experts in biological research. C-BICS 2026 aims to join hands for engineering the future of life sciences to address the global challenges. By providing a platform for knowledge sharing and collaboration, the conference seeks to advance our understanding of living organisms, develop novel treatments and diagnostics, improve food production and environmental sustainability, and ultimately enhance quality of life. A particular focus this year will be to highlight the innovative methods to engineer the future of life sciences with global challenges and real world applications.

Research Areas

- Biological Data Science
- Forensics and Diagnostics
- AI in Health & Life Sciences
- Precision & Molecular Medicine
- Epidemiology & Infectious Diseases
- Bioinformatics & Computational Biology
- Climate Change
- Food & Nutrition
- Synthetic Biology
- Smart Agriculture
- Bio-entrepreneurship
- Biomedical Engineering

Key Dates to Remember

Abstract Submission Deadline

12th October 2026

Notifications for Acceptance

19th - 23rd October 2026

Registration & Fee Submission By

30th October 2026
