About the C-BICS 2023

Commencing its journey in 2013, the Department of Bioinformatics & Biosciences (BI&BS), Faculty of Health & Life Sciences (FoHLS), at Capital University of Science & Technology (CUST), Islamabad, has perpetuated its legacy by orchestrating the 11th edition of C-BICS in 2023. The focal objective of C-BICS 2023 is to establish a platform for distinguished intellects engaged in diverse realms of biological research. The theme of the conference is to provide sustainable solutions for existing & emerging issues in life sciences. This initiative aids in comprehending various strata of living organisms, fostering inventive concepts and remedies, and enhancing tools and methodologies for food production, clean environment, disease detection, prevention, and treatment - all aimed at ameliorating the overall quality of life. The conference will target a paradigm shift in biological systems to explore new avenues in compliance with the United Nations' Sustainable Development Goals (SDGs).

Research Areas

- Agriculture Sciences
- Healthcare & Regenerative Medicine
- Molecular & Evolutionary Genetics
- Chemical & Synthetic Biology
- Bioinformatics & Computational Biology
- Sustainable Ecosystem
- Food & Nutrition
- Bio-entrepreneurship
- Plant & Animal Sciences
- Infectious Diseases

ABSTRACT SUBMISSION

Submission Deadline
1st October 2023

ACCEPTANCE

Notifications for Acceptance
11th - 14th October 2023

REGISTRATION
